MASS MEETING OF MINERS HELD ON WEDNESDAY NIGHT

A mass meeting of the miners of this section was held at Belle Vernon Wednesday night for the purpose of learning the true facts concerning the sending of the international organizers into this district by National President Lewis and to protest against them remaining here. The convention was called by the miners of Belle Vernon, and there was a large number present.

The meeting was presided over by Samuel Pardoe of Charleroi, who after stating the purpose of the session called President Frank Feehan of the district to the floor. Mr. Feehan made a lengthy address.

He complained bitterly of the action of Lewis in sending the organizers into this organized district, saying that they were not sent here to organize but to electioneer for Lewis and his ticket. These men, he said, cost from $200 to $300 a day. There are 20 or 30 of them and they are scattered throughout the district. Mr. Feehan stated that he had asked Mr. Lewis repeatedy to come in to the Pittsburg district and explain his position but the request has been entirely ignored. He has also asked the National President to give him the names of the organizers.

According to Mr. Feehan, conditions in the district are in a deplorable state, in fact the worst that there has been for ten years. He was sorry that such conditions prevailed he said.

During the address of Mr. Feehan the closest attention was paid by the miners, who thus showed their interest in the subject.

RESTAURANT IS SOLD TO MEN FROM PITTSBURG

This week the Saxon Restaurant on McKean avenue changed hands the former owner, Mr. W. H. Saxon disposing of his interest to Messrs. Charles Blanc and Ernest Boursier prominent restaurant men of Pittsburg. The sale of the business was consumated last Saturday and the transfer took place on Wednesday.

Both Mr. Blanc and Boursier are well known men. The former was for a time connected with the Pittsburg Country club as chef and the latter with the Duquesne Club as assistant chef. They will no doubt make good and capable handlers of the business here. It is their intention to continue to serve in the same up-to-date way.

Mr. Saxon will go to McKeesport where he will be employed.

N KISTLER HAD THE LUCKY NUMBER

N. Kistler of Allerwood held the nearest guess card on Wednesday evening at what time the clock stopped in Beigel's Shoe Store window, 419 McKean avenue, and therefore received the Three Silver Dollars. The Clock was unveiled at 7:30 sharp and showed that it stopped at 2-53-48, the winner holding time card 2-43-55. The next unveiling takes place on Wednesday next, December 2d at 7:30 p. m. sharp. Don't neglect to be here at the time—in the meantime get your time cards with every sale.

All time cards are good every Wednesday evening until January 20th, 1909 91tl

STARCH ENTERS A PLEA OF GUILTY

Phillip Starch, the foreigner who was sent to Washington sometime ago by Justice of the Peace Wilson, on Wednesday entered a plea of guilty to the charge of illegal liquor selling. He was sentenced to three months in jail, and a fine of $500 and costs placed on him. The man it will be remembered was brought up before the justice and convicted by the evidence of two young fellows, age 19 and 20 years. He is a well known Italian of this place.

INQUEST INTO THE ELLSWORTH AFFAIR

At the inquest held into the death of the six men killed in Ellsworth mine No. 1 on the afternoon of Monday, November 16, it developed the men who met their death were willing to run the risk rather than lose seven minutes of time. The men were aware of the danger they incurred. The verdict was as follows:

"We, your jury, find that J. P. Newcomber came to his death on Monday, November 16, 1908, on the left side of Ellsworth shaft No. 1 from a crushed skull caused by being pushed off the cage that he was being hoisted on by a board which had been lodged in said shaft by some unknown cause the bonnet of said cage being hoisted on one side to allow material to be lowered into the mine." The verdict was the same in all six cases. Those comprising the jury were Ronald McAllister, William J Simpson, J. P. N. Coulter, Joseph Coatsworth, F. G. Kennedy and Joseph Haggerty.

At the inquest it was brought out that the report that part of the timber in the shaft was loose and was projecting out in the way of the cage was absolutely groundless. A thorough examination immediately after the accident showed the timber to be in position. It is said that the shaft in question is as well lined as any other in the state.

The names of the men who lost their lives were as follows: J. B. Newcomer, Eugene Smythe, M. J. Walsh, Jim Kelley, Osep Duschek, Tony Dovowsky.

Funeral of Mr. Halstead.

The funeral of James Oscar Halstead, who was killed at Monessen while at work Wednesday morning, was held today at the Methodist church here, being in charge of McKean Commandery No. 80, Knights Templar. EXERCISES AT DONORA FOR NEW BRIDGE

The citizens of Donora and Webster, in Washington and Westmoreland counties, on the Monongahela river, are making elaborate preparations for celebrating the opening of the new joint-county bridge, the first free bridge constructed on the river above Pittsburg. The event will take place on Saturday, December 5th, and already a fund of $1,000 has been raised by the two towns.

The President Judges of the two counties will be invited to meet on the bridge on that day and formally dedicate the $200,000 structure. Miss Rebecca Castrer, the first child child born in Donora, who is now eight years of age, will break the ribbon which is to be drawn across the middle of the bridge before the ceremonies.

The program of festivities will include a double ox-roast at Webster, a mardi gras and industrial parade, a wedding on the bridge, the couple to receive $250 in cash from the Bridge committee, as well as numerous presents for household use from the business houses of the two towns.

The couple brave enough to join hands in the presence of the curious thousands are Miss Harriet S. Binley and Mr. John Charles Witherspoon, who will be united in marriage on the bridge at 12 noon. The ceremony will be performed by the Rev. R. H. Morris, pastor of the Webster Methodist Episcopal church. The bride is the daughter of Mr. and Mrs. George Binley, life-long and respected residents of Webster. The groom is employed as chief clerk in the Webster offices of the Pittsburg Coal company. A suite of rooms is being fitted up in the Sansom building, Webster, where they will be at home after returning from a short wedding trip.

Special rates will be made for the day on both the Pennsylvania and Lake Erie roads, and special trains will handle the crowds from other points.

LETTING OF BRIDGE CONTRACT HELD UP

The bids for the construction of the Monongahela bridge were opened in Pittsburg Wednesday when County Commissioners Wylie, Myers and Huffman, Clerk H. R. Campbell, Solicitor James I. Brownson and Engineer Wylie of Washington county met a similar body of officials from Allegheny county in Pittsburg. The Fort Pitt Bridge company of Canonsburg was the lowest bidder, the bid being $227,000 in round numbers. Six other bidders were present.

The contract would have been let to the Canonsburg company but the comptroller of Allegeny county advised the two boards of commissioners to hold up on the contract for another week as there was an act of assembly passed in 1901 in regard to a bridge of this kind in which the state was compelled to pay one-half the cost while the other half was paid by the two counties in proportion to the population of each.

It was found by this process that Allegheny county would have to pay 10-11 of the half of the cost while Washington county would have 1-11 of the half cost. The population of Allegheny county in nearly ten times greater than that of Washington county.

Messrs. Brownson and Major Hay, solicitors for the two boards of commissioners, agreed that this act of assembly was not applicable to the construction of this bridge. After some little time the comptroller received advice from his solicitor and he gave the same advice as given by Solicitor Brownson and Hay.

It was finally agreed that the matter would be submitted to the state board of appraisements and if the state consented to pay half the cost of this bridge it would be that much better for the counties.

Another meeting will be held next week when the contract will likely be let to the Fort Pitt Bridge company.

BEAUTIFUL SERVICES ON THANKSGIVING

A nice crowd attended the Union Thanksgiving services at the First Presbyterian church yesterday morning, nearly all the seats being filled. The sermon was preached by Rev. G. G. Kerr, of the Washington avenue Presbyterian church, on the topic, "The Coming of the Kingdom." He handled his subject in an excellent manner.

The sermon was a regular Thanksgiving talk. He took up matters interesting to all, and dwelled upon them in a way to impress his hearers to the fullest extent. He told of the special things for which all should return thanks. Other ministers took a part.

DUNLEVY DEFEATS CHARLEROI ELEVEN

In one of the most beautiful games of the season on the local grounds, the Dunlevy association football team on Thursday defeated the Charleroi team by a score of 2 to 1. The game was hotly contested at all stages by these rivals of old and it was hard for either to gain the advantage over the other. The Dunlevy boys were up to snuff in all their plays and some star acts were pulled off. The Charleroi bunch were not slow on their feet by any means and fought hard for victory. The only way that the Dunlevy eleven succeeded in scoring at all was by some of the prettiest team work that the local enthusiasts have had the pleasure of seeing. Charleroi scored also by nice team work. Lineup:

Charleroi—1.		Dunlevy—2.
Baird	G.	Campbell
Hyad	F. B.	J. Hancock
Mencer	F. B.	Crawl
Quinn	H. B.	Adamson
Brooks	H. B.	Bowen

McVickers	F.	T. Smith
Holden	F.	James
Campbell	F.	A. Hancock
O'Hara	F.	Gray

Goals—Andy 2, Hynds 1. Referee—Collins. Time of halves—45 minutes.

Too Much Acid is in the River Now

A freshet will bring additional prosperity to Donora. It was expected the blast furnaces would resume operations as soon as repairs to No. 2 stack were completed, but the management has decided to wait until a rise in the river cleans all the acid from the waters before it lights the fire.

It would be folly to resume operations, and use river water in the various pipes, because the acid would eat them out in a short time, damaging the stacks to the extent of thousands of dollars. Under these conditions a good big freshet in the Monongahela will start things booming at Donora.

Lord Douglas Arrested.

Lord Sholton Douglas, brother of the present Marquis of Queensbury and son of the eighth marquis, who framed the famous prize-fight rules, has been admitted to bail in the court of assizes at Nelson, B. C., on a charge of attempted murder, having shot M. Rowland at Creston, B. C., several weeks ago. His lordship ran a saloon in Spokane in the early days and celebrated the opening by inviting the town to help itself to drinks.

Bull Wheel Burst.

Primrose, Nov. 27.—As the result of the bursting of the bull wheel on an oil well near this place George Strain received injuries which will likely prove fatal to him. Mr. Strain is now in a Pitteburg hospital.

Mr. Strain was working on a farm between this place and Venice. In some manner while cleaning out the well the bull wheel let go and the huge wheel broke into pieces which were hurled in all directions. Mr. Strain was struck by several of the fragments and suffered internal injuries.

KAROUST WANTS ADMITTED TO BAIL

An effort is being made to secure bail for Andy Karoust who attacked Dudley Wilson on Saturday night, October 31 at Burgettetown. This attack resulted in the serious shooting of Mr. Wilson by Chris Paroni. The two men have been confined in the Washington jail since that time. As Mr. Wilson is recovering from the wound made by the revolver said to have been in the hands of Paroni it is believed that Karoust will be admitted to bail.

For some time it was feared that the shot would result fatally to Wilson but now he has recovered sufficiently to walk about the house and it is believed that he will entirely recover.

HIGH SCHOOL BEATS CALIFORNIA BUNCH

John N. Patterson, treasurer of the Democratic county committee, has filed a detailed statement of the receipts and expenditures during the recent campaign. Including a balance of $7.55 on hand at the filing of the last account last November there was received a total of $552.35. Of this amount $220 came from Colonel J. M. Guffey, of Pittsburg. The expenditures amounted to $353.40.

TEA PARTY OF ST. JEROMES A GREAT SUCCESS

The most successful Tea Party and dance ever given by St. Jeromes congregation was that of yesterday. Supper was served from 5 to 10 in the Masonic building, and dancing was in the Bank of Charleroi building from 8 until 1 o'clock. The music was furnished by Stewart's orchestra of Fayette City. Several who did not care for the dancing spent the time in playing euchre.

The crowd which was accommodated was immense. There was 400 people present, at the least calculation.

Many came from other places along the river. Features were the fancy booth and the orange tree.

A Shameful Act

Last week there was an example almost unparalleled in Charleroi of inhumanity and the selfish love of money on the part of a Charleroi man who it is to be feared will have to be permitted to go without his just deserts for the reason that the law has failed to provide for such people. The name of this person will not be mentioned for various reasons, but it is enough to say he in mercilessness and greed, had a family who were in straightened circumstances from no fault of their own and who were unable to pay the rent, at the time being and having few earthly possessions, almost thrown from their home. As it was he had the goods of the people levied upon, to the extent of several times the amount of the rent so that the children who were in their infancy, had nothing to sleep upon but the bare floor and nothing but very meagre covering between them and sickness. Fom this condition one of the little fellows contracted a heavy cold and at the last report was suffering greatly. The poor committee took hold of the matter and provided clothing and aided them for the time being, while trying to straighten out affairs. The real estate dealer rolls in luxurious surroundings and in his cruelty and smallness of self refuses to consider the wants of others. The few persons of this place who have heard the sad tale are indignant at the treatment of this family whom fate has given the short end, and are doing all in their power to see that the one who is the cause of all the suffering is punished. It was entirely unnecessary for the levy to be made at the time, and more than that, even if it had been unavoidable at least a little justice and mercy should have been shown. The amount of rent due was small, and a few pieces of furniture would have paid it, yet the one which we have described thought it necessary, evidently to seize the whole.

Another case with nearly the same features is that of a different family. This is not nearly so pronounced as the above however and does not show quite the selfishness as depicted, yet it is an example of greediness too much for us and the landlord should be made to suffer.

Donora's New Outlet.

Next Saturday we will witness the opening of the new bridge connecting Donora and Webster over the Monongahela river. It is a structure built something on the plan of the Monessen-Charleroi bridge. Work was going on when the latter was officially opened to the public on the 2nd of November last year The Donora and Webster people are anticipating an excellent time, and it is thought that there will be a large number present to attend the exercises on that day. Elaborate preparations have been made for the occasion. The celebration will be something after the order of the one that was held here. A new feature will be a wedding on the bridge.

The advantages that will accrue to Donora from this bridge will be manifold. The residents of that place will be given a new outlet and it will establish a connection with Westmoreland county. In time there will be a trolley line built from Webster to West Newton. This it is thought will be extended across the structure that has recently been completed and connected with the line that is now being constructed to Eldora. When this is all accomplished the town of Donora can indeed congratulate itself.

Let us Aid Them.

Some residents of Charleroi did not, could not observe Thanksgiving in the up-to-date manner as others more fortunate. These were the poor, those not having enough of this worlds goods to provide even a decent meal let alone turkey and cranberries with the other delicacies with which so many of us enjoyed ourselves over the festive board, and while we were disporting ourselves among our friends and having enjoyment these unfortunates were wondering from where the next bit of food was to come. The poor committee, are doing a lot of good but with the limited finances cannot do the justice to the work that they would wish.

We should have a kindly feeling for those who do not have enough to eat and help provide for them in any way possible. The man wo does not sympathize with them is entitled to no sympathy himself when he is down and should expect to receive none. A landlord who would oust from a home a poor family with the children and take nearly all their earthly possessions, is one member for whom the law evidently has failed to provide. The poor and needy are d serving, so let us contribute to their welfare

THAT THE POWER OF MONEY

in making more money is the secret of getting rich is generally admitted.

The average so-called "savings deposit" is only $100—yet this $100 represents 6 per cent interest on nearly $7,000 for a full year. As the most of these accounts were started with a deposit of one to ten dollars and gradually increased to their present size, doesn't it seem that you can do fully as well? Make up your mind to do it—then it's merely a case of application. Your earnings are as large, or larger, than those of the average depositor referred to, only—you haven't been banking your money.

Come in and let us tell you some other reasons why you should have a bank account.

MEN ARE HELPLESS AS CHILDREN

When Taken Suddenly Ill—Here Is a Common-Sense Safeguard.

Big, strong man is as a helpless infant when he is suddenly ill.

The sturdiest chap in town unusually loses his self control, and is utterly unable to regard his condition with the common sense that characterizes his every day actions.

For example: He comes home tired, eats a hearty dinner and sits down to read and smoke away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion, brought on by overloading his tired stomach.

A couple of Rexall Dyspepsia Tablets would have given him instant relief—would have saved him hours of suffering

Carry a package of Rexall Dyspepsia Tablets in your vest or keep them in your room. Take one after each heavy meal, and indigestion can never bother you.

Rexall Dyspepsia Tablets cure stomach troubles by supplying the one element, the absence of which in the gastric juices, causes indigestion and dyspepsia. They enable the stomach to digest all kind of food and to quickly convert it into rich red blood.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to cure indigestion and dyspepsia. If they fail, we will refund your money.

Price 25 cents per full package. Sold only at our stores or by mail. John W. Carroll, Charleroi, Pa.

MASS MEETING OF MINERS HELD ON WEDNESDAY NIGHT

A mass meeting of the miners of this section was held at Belle Vernon Wednesday night for the purpose of learning the true facts concerning the sending of the international organizers into this district by National President Lewis and to protest against them remaining here. The convention was called by the miners of Belle Vernon, and there was a large number present.

The meeting was presided over by Samuel Pardoe of Charleroi, who after stating the purpose of the session called President Frank Feehan of the district to the floor. Mr. Feehan made a lengthy address.

He complained bitterly of the action of Lewis in sending the organizers into this organized district, saying that they were not sent here to organize but to electioneer for Lewis and his ticket. These men, he said, cost from $200 to $300 a day. There are 20 or 30 of them and they are scattered throughout the district. Mr. Feehan stated that he had asked Mr. Lewis repeatedy to come in to the Pittsburg district and explain his position but the request has been entirely ignored. He has also asked the National President to give him the names of the organizers.

According to Mr. Feehan, conditions in the district are in a deplorable state, in fact the worst that there has been for ten years. He was sorry that such conditions prevailed he said.

During the address of Mr. Feehan the closest attention was paid by the miners who thus showed their interest in the subject.

EXERCISES AT DONORA FOR NEW BRIDGE

The citizens of Donora and Webster, in Washington and Westmoreland counties, on the Monongahela river, are making elaborate preparations for celebrating the opening of the new joint-county bridge, the first above Pittsburg. The event will take place on Saturday, December 5th, and already a fund of $4,000 has been raised by the two towns.

The President Judges of the two counties will be invited to meet on the bridge on that day and formally dedicate the $900,000 structure. Miss Rebecca Castner, the first child born in Donora, who is now eight years of age, will break the ribbon which is to be drawn across the middle of the bridge before the ceremonies.

The program of festivities will include a double ox-roast at Webster, a mardi gras and industrial parade, a wedding on the bridge, the couple to receive $250 in cash from the Bridge committee, as well as numerous presents for household use from the business houses of the two towns.

The couple brave enough to join hands in the presence of the curious thousands are Miss Harriet S. Binley and Mr. John Charles Witherspoon, who will be united in marriage on the bridge at 12 noon. The ceremony will be performed by the Rev. R. H. Morris, pastor of the Webster Methodist Episcopal church. The bride is the daughter of Mr. and Mrs. George Binley, life-long and respected residents of Webster. The groom is employed as chief clerk in the Webster offices of the Pittsburg Coal company. A suite of rooms is being fitted up in the Sansom building, Webster, where they will be at home after returning from a short wedding trip.

Special rates will be made for the day on both the Pennsylvania and Lake Erie roads, and special trains will handle the crowds from other points.

BEAUTIFUL SERVICES ON THANKSGIVING

A nice crowd attended the Union Thanksgiving services at the First Presbyterian church yesterday morning, nearly all the seats being filled. The sermon was preached by Rev. G. G. Kerr, of the Washington avenue "The Coming of the Kingdom." He handled his subject in an excellent manner.

The sermon was a regular Thanksgiving talk. He took up matters interesting to all, and dwelled upon them in a way to impress his hearers to the fullest extent. He told of the special things for which all should return thanks. Other ministers took a part.

STARCH ENTERS A PLEA OF GUILTY

Phillip Starch, the foreigner who was sent to Washington sometime ago by Justice of the Peace Wilson, on Wednesday entered a plea of guilty to the charge of illegal liquor selling. He was sentenced to three months in jail, and a fine of $500 and costs placed on him. The man it will be remembered was brought up before the justice and convicted by the evidence of two young fellows, age 19 and 20 years. He is a well known Italian of this place.

INQUEST INTO THE ELLSWORTH AFFAIR

At the inquest held into the death of the six men killed in Ellsworth mine No. 1 on the afternoon of Monday, November 16, it developed the men who met their death were willing to run the risk rather than lose seven minutes of time. The men were aware of the danger they incurred. The verdict was as follows:

"We, your jury, find that J. P. Newcomber came to his death on Monday, November 16, 1908, on the left side of Ellsworth shaft No. 1 from a crushed skull caused by being pushed off the cage that he was being hoisted on by a board which had been lodged in said shaft by some unknown cause the bonnet of said cage being hoisted on one side to allow material to be lowered into the mine." The verdict was the same in all six cases. Those comprising the jury were Ronald McAllister, William J. Simpson, J. P. N. Coulter, Joseph Coatsworth, F. G. Kennedy and Joseph Haggerty.

At the inquest it was brought out that the report that part of the timber in the shaft was loose and was projecting out in the way of the cage was absolutely groundless. A thorough examination immediately after the accident showed the timber to be in position. It is said that the shaft in question is as well lined as any other in the state.

The names of the men who lost their lives were as follows: J. B. Newcomer, Eugene Smythe, M. J. Walsh, Jim Kelley, Osep Duschek, Tony Dovowsky.

Funeral of Mr. Halstead.

LETTING OF BRIDGE CONTRACT HELD UP

The bids for the construction of the Monongahela bridge were opened in Pittsburg Wednesday when County Commissioners Wylie, Myers and Huffman, Clerk H. R. Campbell, Solicitor James I. Brownson and Engineer Wylie of Washington county met a similar body of officials from Allegheny county in Pittsburg. The Fort Pitt Bridge company of Canonsburg was the lowest bidder, the bid being $227,000 in round numbers. Six other bidders were present.

The contract would have been let to the Canonsburg company but the comptroller of Allegeny county advised the two boards of commissioners to hold up on the contract for another week as there was an act of assembly passed in 1901 in regard to a bridge of this kind in which the state was compelled to pay one-half the cost while the other half was paid by the two counties in proportion to the population of each.

It was found by this process that Allegheny county would have to pay 10-11 of the half of the cost while Washington county would have 1-11 of the half cost. The population of Allegheny county in nearly ten times greater than that of Washington county.

Messrs. Brownson and Major Hay, solicitors for the two boards of commissioners, agreed that this act of assembly was not applicable to the construction of this bridge. After some little time the comptroller received advice from his solicitor and he gave the same advice as given by Solicitor Brownson and Hay.

It was finally agreed that the matter would be submitted to the state board of appraisements and if the state consented to pay half the cost of this bridge it would be that much better for the counties.

Another meeting will be held next week when the contract will likely be let to the Fort Pitt Bridge company.

DUNLEVY DEFEATS CHARLEROI ELEVEN

In one of the most beautiful games of the season on the local grounds, the Dunlevy association football team on Thursday defeated the Charleroi team by a score of 2 to 1. The game was hotly contested at all stages by these rivals of old and it was hard for either to gain the advantage over the other. The Dunlevy boys were up to snuff in all their plays and some star acts were pulled off. The Charleroi bunch were not slow on their feet by any means and fought hard for victory. The only way that the Dunlevy eleven succeeded in scoring at all was by some of the prettiest team work that the local enthusiasts have had the pleasure of seeing. Charleroi scored also by nice team work. Lineup:

Charleroi—1.		Dunlevy—2.
Baird	G	Campbell
Hynd	F. B.	J. Hancock
Mencer	F. B.	Crawl
Quinn	H. B.	Adamson
Brooks	H. B.	Bowen
Clark	H. B.	Hart
Hynds	F.	Andy
McVickers	F.	T. Smith
Holden	F.	James
Campbell	F.	A. Hancock
O'Hara	F.	Gray

Goals—Andy 2, Hynds 1. Referee—Collins. Time of halves—45 minutes.

Too Much Acid is in the River Now

A freshet will bring additional prosperity to Donora. It was expected the blast furnaces would resume operations as soon as repairs to No. 2 stack were completed, but the management has decided to wait until a rise in the river cleans all the acid from the waters before it lights the fire.

It would be folly to resume operations, and use river water in the various pipes, because the acid would eat them out in a short time, damaging the stacks to the extent of thousands of dollars. Under these conditions a good big freshet in the Monongahela will start things booming at Donora.

Lord Douglas Arrested.

Lord Sholton Douglas, brother of the present Marquis of Queensbury and son of the eighth marquis, who framed the famous prize-fight rules, has been admitted to bail in the court of assizes at Nelson, B. C., on a charge of attempted murder, having shot M. Rowland at Creston, B. C., several weeks ago. His lordship ran a saloon in Spokane in the early days and celebrated the opening by inviting the town to help itself to drinks.

Bull Wheel Burst.

Primrose, Nov. 27.—As the result of the bursting of the bull wheel on an oil well near this place George Strain received injuries which will likely prove fatal to him. Mr. Strain is now in a Pittsburg hospital.

Mr. Strain was working on a farm between this place and Venice. In some manner while cleaning out the well the bull wheel let go and the huge wheel broke into pieces which were hurled in all directions. Mr. Strain was struck by several of the fragments and suffered internal injuries.

KAROUST WANTS ADMITTED TO BAIL

An effort is being made to secure bail for Andy Karoust who attacked Dudley Wilson on Saturday night, October 31 at Burgettstown. This attack resulted in the serious shooting of Mr. Wilson by Chris Paroni. The two men have been confined in the Washington jail since that time. As Mr. Wilson is recovering from the wound made by the revolver said to have been in the hands of Paroni it is believed that Karoust will be admitted to bail.

For some time it was feared that the shot would result fatally to Wilson but now he has recovered sufficiently to walk about the house and it is believed that he will entirely recover.

HIGH SCHOOL BEATS CALIFORNIA BUNCH

The Charleroi High School basketball team last night on the local floor defeated the California team in a good game by the score of 31 to 8.

The contest was interesting throughout. The lineup:

Charleroi—31.		California—8.
Clelland	F.	Harris
Oller	F.	Edwards
Wilson	C.	Luce
Mangan	G.	Christen
Clutter	G.	Long

Substitutions, Martin for Christen. Field Goals—Wilson 9; Mangan, 5; Oller, 1; Harris, 2; Edwards. Goal from foul—Mangan, Edwards, 2; Referee—Newton.

DEMOCRATS FILE EXPENSE ACCOUNTS

John N. Patterson, treasurer of the Democratic county committee, has filed a detailed statement of the receipts and expenditures during the recent campaign. Including a balance of $7.55 on hand at the filing of the last account last November there was received a total of $552.35. Of this amount $220 came from Colonel J. M. Guffey, of Pittsburg. The expenditures amounted to $353.40.

Mrs. Willits C. Binns and Miss McKean are spending the day in Pittsburg.

TEA PARTY OF ST. JEROMES A GREAT SUCCESS

The most successful Tea Party and dance ever given by St. Jeromes congregation was that of yesterday. Supper was served from 5 to 10 in the Masonic building, and dancing was in the Bank of Charleroi building from 8 until 1 o'clock. The music was furnished by Stewart's orchestra of Fayette City. Several who did not care for the dancing spent the time in playing euchre.

The crowd which was accommodated was immense. There was 400 people present, at the least calculation.

Many came from other places along the river. Features were the fancy booth and the orange tree.

Everybody knows about New York's Hippodrome—the Biggest Show House in the World and the Biggest Show in the World. And now they've got a Circus at the Hippodrome. A Real Live Circus under a Great Big Tent on the Great Big Stage, and Manuel Klein, the Leader of the Hippodrome's Great Big Orchestra, has written a Regular Circus Day Song, entitled "When the Circus Comes to Town," which several hundred people on the stage sing. This Great Song, Words and Music Complete, will be Given Free with next Sunday's World by arrangement with M. Witmark and Sons, publishers.

A surprise party was held on last evening at the home of Mr. and Mrs. Robert Phillips on Washington avenue in honor of their daughter Miss Carrie who is a student at Hiram college, but spending the Thanksgiving vacation at home. Several friends were present and spent the time enjoyably with games.

ASTRONOMICAL EVENTS.

A Shameful Act.

Last week there was an example almost unparallelled in Charleroi of inhumanity and the selfish love of money on the part of a Charleroi man who it is to be feared will have to be permitted to go without his just deserts for the reason that the law has failed to provide for such people. The name of this person will not be mentioned for various reasons, but it is enough to say he in mercilessness and greed, had a family who were in straightened circumstances from no fault of their own and who were unable to pay the rent, at the time being and having few earthly possessions, almost thrown from their home. As it was he had the goods of the people levied upon, to the extent of several times the amount of the rent so that the children who were in their infancy, had nothing to sleep upon but the bare floor and nothing but very meagre covering between them and sickness. Fom this condition one of the little fellows contracted a heavy cold and at the last report was suffering greatly. The poor committee took hold of the matter and provided clothing and aided them for the time being, while trying to straighten out affairs. The real estate dealer rolls in luxurious surroundings and in his cruelty and smallness of self refuses to consider the wants of others. The few persons of this place who have heard the sad tale are indignant at the treatment of this family whom fate has given the short end, and are doing all in their power to see that the one who is the cause of all the suffering is punished. It was entirely unnecessary for the levy to be made at the time, and more than that, even if it had been unavoidable at least a little justice and mercy should have been shown. The amount of rent due was small, and a few pieces of furniture would have paid it, yet the one which we have described thought it necessary, evidently to seize the whole.

Another case with nearly the same features is that of a different family. This is not nearly so pronounced as the above however and does not show quite the selfishness as depicted, yet it is an example of greediness too much for us and the landlord should be made to suffer.

Donora's New Outlet.

Next Saturday we will witness the opening of the new bridge connecting Donora and Webster over the Monongahela river. It is a structure built something on the plan of the Monessen-Charleroi bridge. Work was going on when the latter was officially opened to the public on the 2nd of November last year The Donora and Webster people are anticipating an excellent time, and it is thought that there will be a large number present to attend the exercises on that day. Elaborate preparations have been made for the occasion. The celebration will be something after the order of the one that was held here. A new feature will be a wedding on the bridge.

The advantages that will accrue to Donora from this bridge will be manifold. The residents of that place will be given a new outlet and it will establish a connection with Westmoreland county. In time there will be a trolley line built from Webster to West Newton. This it is thought will be extended across the structure that has recently been completed and connected with the line that is now being constructed to Eldora. When this is all accomplished the town of Donora can indeed congratulate itself.

Let us Aid Them.

Some residents of Charleroi did not could not observe Thanksgiving in the up-to-date manner as others more fortunate. These were the poor, those not having enough of this worlds goods to provide even a decent meal let alone turkey and cranberries with the other delicacies with which so many of us enjoyed ourselves over the festive board, and while we were disporting ourselves among our friends and having enjoyment these unfortunates were wondering from where the next bit of food was to come. The poor committee, are doing a lot of good but with the limited finances cannot do the justice to the work that they would wish.

We should have a kindly feeling for those who do not have enough to eat and help provide for them in any way possible. The man wo does not sympathize with them is entitled to no sympathy himself when he is down and should expect to receive none. A landlord who would oust from a home a poor family with the children and take nearly all their earthly possessions, is one member for whom the law evidently has failed to provide. The poor and needy are deserving, so let us contribute to their welfare

THAT THE POWER OF MONEY

in making more money is the secret of getting rich is generally admitted.

The average so-called "savings deposit" is only $400—yet this $400 represents 6 per cent interest on nearly $7,000 for a full year. As the most of these accounts were started with a deposit of one to ten dollars and gradually increased to their present size, doesn't it seem that you can do fully as well? Make up your mind to do it—then it's merely a case of application. Your earnings are as large, or larger, than those of the average depositor referred to, only—you haven't been banking your money.

Come in and let us tell you some other reasons why you should have a bank account.

A new invention used by Mr. Mackey to produce a "Marriage On The Desert" in this production is one of the greatest achievements of the present century, puzzling the most scientific. MEN ARE HELPLESS AS CHILDREN

When Taken Suddenly Ill—Here Is a Common-Sense Safeguard.

Big, strong man is as a helpless infant when he is suddenly ill.

The sturdiest chap in town unusually loses his self control, and is utterly unable to regard his condition with the common sense that characterizes his every day actions.

For example: He comes home tired, eats a heavy dinner and sits down to read and smoke away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion, stomach.

A couple of Rexall Dyspepsia Tablets would have given him instant relief—would have saved him hours of suffering.

Carry a package of Rexall Dyspepsia Tablets in your vest or keep them in your room. Take one after each heavy meal, and indigestion can never bother you.

Rexall Dyspepsia Tablets cure stomach troubles by supplying the one element, the absence of which in the gastric juices, causes indigestion and dyspepsia. They enable the stomach to digest all kind of food and to quickly convert it into rich red blood.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to cure indigestion and dyspepsia. If they fail, we will refund your money.

Price 25 cents per full package. Sold only at our stores or by mail. John W. Carroll, Charleroi, Pa.

That Awful Widow.

A local wit has a spicy contribution to the trials of a Butler widow. The outburst in its entirety is printed:

"Funny thing happened in Butler the other day. They arrested a-grass widow in a sheaf gown who reaped a harvest from a hayseed while he was sowing his wild oats, but she was bailed out on as straw bond by a rake and the matter cannot be threshed out in court."—Butler Citizen. "No doubt the buckwheats over there made wry faces when the corner man made the arrest"—Kittanning Tribune. And the widow we suppose gave them the merry ha, ha, and cabbaged the first chance she got to beet it."—Daily Independent.

"Lettuce hope that she will not come to Monessen, as she might Borecole enough to have a warm time with the young sprouts. If she should leek in, send for the peeler and let him mangle her foliage and put her in the mushroom till morning. But if a Kohl Rabi or other minister should intercede, we might squash the proceedings beans its a woman."—Monessen Independent.

Needs no breaking in

Yesterday we fitted a customer in one of our new Red Cross models. As she left she said, "Wrap up my old ones. I'll wear these instead."

The Red Cross Shoe is *comfortable* the *moment you put it on!*

Its sole, made of specially tanned leather, is flexible. It doesn't bind, cramp or "draw" the foot. It fits like a glove and bends with your foot, just as your glove moves with your hand. This fall
